SAFE AT THE PLATE!

On the Cover: An exciting play at the plate. Did you guess correctly? As you can see
above, the catcher did not come up with the ball, and the Indians scored.

IN THIS ISSUE OF GAME FACE:

10 THE CLEVELAND INDIANS

Check out these full-page photos of the Tribe. You know the veterans. Now you can
get to know the Indians young athletes.

*The players pictured are based on the team roster at press time. Not pictured: action photos of Nick
Bierbrodt and Zach Sorensen were not available at press time. Manager and player photos begin on
page 10. Coaching and Training Staff photos are located on page 71.*

32 REMEMBERING A CLEVELAND LEGEND by Chuck Murr

Mel Harder, who passed away last October, was one of the greatest pitchers to ever
wear an Indians uniform. He was also one of the team's best pitching coaches – cred-
ited with developing the talents of other members of the team's pitching elite.

*You may have noticed that each member of the Tribe is wearing a circular patch on his jersey
that features the number 18 – Mel Harder's number; which the Indians have retired.*

****As a special tribute to celebrate the legacy of Indians Hall of Fame outfielder Larry
Doby (who passed away in June), Tribe players will wear a rectangular black arm
patch with #14 DOBY above Mel Harder's #18 circle patch.**

48 OUTSIDE THE LINES by Steve Herrick

The Indians young athletes are new faces to many fans – but they're getting more
well known off the field through their community work.
